

SCOTTISH PARLIAMENT ELECTION 2016: THE REGIONAL VOTE

The first column shows the regional vote for each party. The second column shows the number of constituency members elected (e.g. 3C means 3 members). The d'Hondt system (see "The d'Hondt electoral system", dhondt.pdf) is then applied to elect seven additional members in each region. The bracketed figures (1), (2), ... show how these were allocated in turn. Smaller parties and groups have been omitted.
